Way Over Yonder

Way over yonder is a place that I know
where I can find shelter from hunger and cold.
And the sweet tasting good life is so easily found
way over yonder—that's where I'm bound.
I know when I get there, the first thing I'll see
is the sun shining golden—shining right down on me.

Then trouble's gonna lose me—worry leave me behind,
and I'll stand up proudly in true peace of mind.
Way over yonder is place I have seen
in a garden of wisdom from some long ago dream.
Maybe tomorrow I'll find my way
to the land where the honey runs in rivers each day.
And the sweet tasting good life is so easily found
Way over yonder—that's where I'm bound.

Blackbird

Blackbird singing
in the dead of night
take these broken wings
and learn to fly
all your life
you were only waiting
for this moment to arise.

Blackbird singing
in the dead of night
take these eyes
and learn to see

all your life
you were only waiting
for this moment to be free.

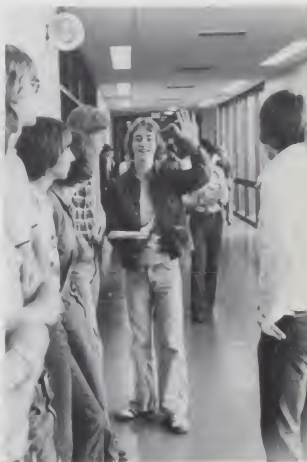

The Way We Were

Memories, light the corners of my mind.
Misty water color memories, of the way
we were. Scattered pictures, of the smiles
we left behind, smiles we gave to one another,
for the way we were. Can it be that it was
all so simple then, or has time rewritten
every line? If we had a chance to do it all
again, tell me, would we? Could we?

Memories, may be beautiful and yet, what's
too painful to remember, we simply choose
to forget. So it's the laughter,
we will remember, whenever we remember,
the way we were; The way we were.

Stairway to Heaven

And it's whispered that soon if we all
call the tune
then the piper will lead us to reason.
And a new day will dawn for those
who stand long
and the forests will echo with laughter.

And it makes me wonder

If there's a bustle in your hedgerow
don't be alarmed now
it's just a spring clean for the
May-Queen.
Yes, there are two paths you can go by
but in the long run
there's still time to change the road
you're on.

Your head is humming and it won't go

in case you don't know,
the piper's calling you to join him.
Dear lady can you hear the wind blow
and did you know
your stairway lies on the
whispering wind.

And as we wind on down the road,
our shadows taller than our soul,
there walks a lady we all know
who shines white light and wants to show
how everything still turns to gold,
and if you listen very hard,
the tune will come to you at last,
when all is one and one is all,
to be a rock and not to roll.

And she's buying a stairway to heaven.

Simple Man

Mama told me when I was young,
"Come sit beside me, my only son
and listen closely to what I say,
and if you do this,
it will help you some sunny day.
Take your time — don't live too fast,
Troubles will come and they will pass.
Go find a woman and you'll find love,
and don't forget, son,
there is someone up above."

"And be a simple kind of man,
be something you love and understand.
Be a simple kind of man.
Won't you do this for me, son,
if you can?"

"Forget your lust for rich man's gold,
All that you need is in your soul,
and you can do this if you try.
All that I want for you, my son,
is to be satisfied."

"Boy, don't you worry . . . you'll find
yourself,
Follow your heart and nothing else.
And you can do this if you try.
All that I want for you, my son,
is to be satisfied."

superintendent of schools

MR. B.J. DAVIS

One of the great pleasures in my life has been the part I played in creating what is now Granite City High School/North.

To see a building develop from an idea to reality is a fantastic experience. To see a faculty and student body take that building and develop a school is even more of a thrill. To me, a school is much more than bricks and mortar. It's a place for learning, a spirit, a commonality of purpose, and a desire to enrich the lives of others. Granite City High School/North's faculty and students can take pride in the accomplishments they have attained and in the warm esprit de corps developed which is a legacy for future generations.

assistant superintendent

MR. FRANK KRAUS

Mr. Kraus, a native of Granite City, graduated from High School South in 1948. He completed a B.S. degree in education in 1954 from S.I.U., Carbondale, in 1957. He completed his M.S. in education from Indiana State University. He obtained a 6th year Specialist Certificate in 1971.

Mr. Kraus served in the Air Force from 1951-53, then served as a teacher and coach at Lawrenceville, Illinois, and Granite City. He also has been Assistant Principal and Principal of Coolidge, Jr. High School. In 1967 he became the Assistant Superintendent for Community Unit District #9.

North Administration

and faculty

GILBERT V. WALMSLEY, PRINCIPAL

Dear North,

I have addressed this letter to North because you, the students, make up the major elements of this school. I am so very proud to be a part of "our" school and take pride in all you accomplish. Having worked in several locations and having visited many, I remain steadfast in my belief GCHS/North's student body is one of the best.

To our seniors, may all of your dreams come true. If you approach your careers with the same determination and enthusiasm that you have shown at North, success will be yours. Your class now becomes part of North's bright past and North sets proudly upon the foundation her first four classes have erected.

To the returning students, may your classes take North's banner and carry it forward boldly, while exercising good judgment and establishing honor and dignity as North's primary goals. You have inherited the responsibility to maintain North's image and improve on her past accomplishments. Be assured we believe you will represent North as well as those who have gone before you. All of you, graduates and students, ARE and therefore make North, NULLI SECUNDUS.

Best wishes,

G. Walmsley

a Transition Period . . .

The first whose lives will encompass
the third century of American
independence,

and

The first class to complete four years at
North High.

You know you've been taught ..

You've made an effort,
and you've not.

Give it some thought . . .
You know life has its ups—

—and downs! But what the heck . . .
Give it a boot!!

Do the Bump!

The Peppermint Players were selected to perform at the Illinois State Theatre Festival held at Illinois State University, Normal, on January 7, 1977. They represented our school and community at this state-wide theatre invitational.

RAGGEDY ANN AND ANDY Santa's gift to the toys is two new toys, which show their friendliness by singing and dancing. Dancers are Julie Sianford and Linda St. Ivany. Standing are John Miller, Pam Tester, and Laura McKee.

WAITING FOR SANTA. Granite City High School North's peppermint girl, Dawn Stoyanoff

peppermint

SPINNING TOP: Portrayed by Dec Dee Schleicher reacts to noise that other toys are making as they awaken prior to the yearly visit by Santa Claus.

Players

TEDDY BEAR GETS ATTENTION: Dolis (Pam Tester) shows her appreciation of Teddy Bear (John Hartung) when she tells the toys that they should like him too because he is so cuddly and cute.

With the loss of key personnel from the 74-75 team we appeared to be in a rebuilding year, but this was not to be. The 1975-76 track team had an unexpectedly good season. The team achieved a 5 win and 1 loss dual meet record with the one loss being by only 3 points. The team broke 8 school records during the season and placed fourth in the district meet. Five young men advanced to the state meet: David Kwiatkowski, High Hurdles; Dale Page, Pole Vault; Greg Landys, Pole Vault; Fred Clay, 220 Yard Dash; and Mike Baker, 2 mile.

This was one of the most satisfying years I have ever had. This year's team was one of the hardest working and competitive teams I have ever coached. They produced a winner where at first there was none. I am very proud of these young men and their achievements.

VARSITY SOCCER

If a soccer team can be successful and yet fail at the same time, the team of '76 did it. Our record of 14 wins, 6 losses and 4 ties was respectable. However, for the first time in four years, we were eliminated from the state competition before the sectional championship game. We the team and the coach, all were contributors to our failure. As the coach, I failed to work the team hard enough. As a team, there was too much individual effort and not enough teamwork. We will correct these flaws next season. Our six seniors were a steadying influence on the remaining eighteen underclassmen. My sincere thanks to the graduating seniors for all of their effort and dedication to the school and the team. A special "thank you" to Bob Yount and Steve Szeles who were the players to earn varsity soccer letters for four years. Steve Szeles also was honored by being named to the All-State team and the All-American team. His honors are richly deserved. If the '77 team will work as hard as Steve has we will rise to new heights.

The 1976-77 Junior Varsity soccer club produced one of the best records ever by a junior varsity team at North High School. Their record was 13 wins, 3 losses, and 1 tie. They scored 34 goals while holding their opponents to only 9.

Moreover, this was one of the most talented teams I have ever had while at North. An added plus was that besides being talented, they were a fine group of young men. They are the promise of good things to come for North in soccer.

Trainers are people that dedicate their time to the preventing of and caring for injuries. The trainers are always present at every practice and game. They possess the knowledge to evaluate and care for the injured person. A black and white photograph of a display cabinet filled with various trophies and awards. The trophies are arranged on three shelves. The top shelf has several smaller trophies, including a tall one with a star on top and a cup. The middle shelf features a large, ornate trophy with a figure on top, a smaller trophy with a figure, and a framed certificate or plaque. The bottom shelf is filled with more trophies, including a tall one with a figure and a cup. The background is dark, making the trophies stand out.

Memories
Like the corners
of my mind
Misty water colored memories
Of the way we were.
Can it be that it was all so simple then,
Or has time rewritten every line;
If we had the chance to do it all again
Tell me would we, Could we?

The background of the page is a faded, grayscale photograph of a display cabinet filled with various trophies and sports memorabilia. The items include several tall trophies with figures on top, some with flames, and others with athletes in motion. There are also smaller cups, a basketball, and other sports-related objects. The lighting is soft, and the overall tone is nostalgic.

Memories

May be beautiful and yet
What's too painful to remember
We simply choose to forget.
So it's the laughter,
We will remember
Whenever we remember
The way we were.

Prom 1976

The 1975-1976 Prom was held in the Grand Ballroom of the Stan and Biggies Hilton Inn on May 15th. Everyone arrived around 7 o'clock and began dancing to the music of the New-tones. The evening's theme was "The Long and Winding Road" and was set off by the color scheme of pastel yellows and greens.

Granite City High School North Concert Band 1977

I am so very proud and honored to be a part of this year's Band department at North. What a remarkable group of students! With 90 instrumentalists, 22 Pom Pon Squad members and 22 newly organized Rifle and Flag Squad members, we've got to be the biggest team that puts forth a concerted effort around. I would like to pay tribute to our outstanding upperclassmen whose guidance has been invaluable and at the same time acknowledge the large group of Freshmen and Sophomores who have continued our growth and have done a superb job of filling in for our large Senior class of 75. As long as there are students of this calibre in our department, North will be well represented wherever they make an appearance. My "Salute" to the outstanding Band Department of 76!, and may their legacy serve as an inspiration for those who are forthcoming.

Members of Future Secretaries Association are selected because of their academic success in business courses. Students are eligible for membership who are at least a junior, and who have completed three or more business subjects, and who have at least a C accumulative average. Future Secretaries is a nationwide high school organization. They are sponsored by the adult organization—National Secretaries Association.

A formal initiation is held at the beginning of each school year. Throughout the year, monthly educational meetings are held. The senior members spend a day in the office of a secretary in the spring. Various civic projects are held during the school year. At the conclusion of the year a formal banquet is held and a Future Secretary of the year is chosen and given a scholarship.

Girl's Athletic Association

One of the goals set by the Girls' Athletic Association this year was to promote an interest in sports on an intramural and on an interscholastic basis. Seeking to find a means by which we might keep both aspects of sports alive, the girls athletic association has always offered participation on an intramural basis to every girl in school, and we are hopeful that we can continue this. We feel that recreational sports have a valuable place in athletics, just as do the many social functions carried on throughout the year by our organization.
